## Who clips the nails?

I'm interested in learning how families with two working parents share certain types of household responsibilities. Your responses are confidential. Survey results will be posted on [workingmomsbreak.com](http://workingmomsbreak.com). Thanks for your participation!

### About you

#### Are you a working parent in a household where both parents work?

- Yes
- No

#### I am

- female
- male

#### Which best describes your household?

- 1 mom + 1 dad
- 2 moms
- 2 dads

Other, please specify:

### Household responsibilities

#### Who clips the kids' nails?

- I usually do this
- My partner usually does this
- We split it pretty evenly

#### Who brushes the kid's hair and teeth?

- I usually do this
- My partner usually does this
- We split it pretty evenly

- My partner usually does this
- We split it pretty evenly

**When you get the note from daycare about a lice outbreak, who checks the kids' heads?**

- I usually do this
- My partner usually does this
- We split it pretty evenly
- Not applicable

**Final comments**

**How do you feel about how you and your partner divide household and parenting responsibilities?**

- I think it's pretty fair
- I don't think it's fair, but I'm willing to live with it
- Totally unfair. It drives me crazy!

**Why have you and your partner chosen to divide up your responsibilities in this way?**

**Any final thoughts?**

**Your name/contact information (This is optional in case I have a follow up question.)**
